

(ii) The candidates must hold a BE/BTech degree from a recognized university/institution.

NIMCET 2024 Exam Pattern

The NIMCET 2024 exam will be conducted in an online format as a Computer Based Test. The question paper will consist of a total of 120 multiple-choice questions, covering the syllabus that has been prescribed.

Subject	Total no of questions	Marks awarded for the correct answer	Marks deducted for the wrong answer	Total marks
Mathematics	50	12	3	600
Analytical Ability & Logical Reasoning	40	6	1.5	240
Computer Awareness	20	6	1.5	120
General English	10	4	1	40

NIMCET 2024 Syllabus

The NIMCET syllabus for 2024 will include Mathematics, Computer Awareness, Logical Reasoning, and General English. Candidates can find the topics covered in the NIMCET syllabus 2024 here. It is essential for candidates preparing for the exam to study from the syllabus provided by the exam conducting authority.

Mathematics

- Set Theory
- Probability and Statistics
- Algebra
- Coordinate Geometry
- Calculus
- Vectors
- Trigonometry

Computer Awareness

Computer Basics and Data Representation from the undergraduate course of computers/BCA

Logical Reasoning

The questions in this section will include logical scenarios and inquiries derived from the information provided in the passage.

General English

Questions in this section will be designed to test the candidates' general understanding of the English language.

NIMCET 2024 Admit Card

The NIMCET 2024 admit card will be made available for download on the official website in June, tentatively. Candidates will not receive their admit cards individually through postal mail. Candidates should log in to the official website using their application number and password in order to download their admit card. The admit card for NIMCET 2024 contains important information such as the exam date and time, exam centre address, and the candidate's basic details including name, photo, and signature. Additionally, it includes guidelines to be followed on the exam day. It is mandatory for candidates to have their [NIMCET admit card](#) in order to be allowed to appear for the exam.

If candidates encounter any difficulties while downloading the admit card, they should send an email to nimcet@nitjsr.ac. The email should include the candidate's application number and proof of fee payment.

NIMCET 2024 Result

Candidates who meet the qualifying criteria will receive a Rank in the NIMCET 2024 result. The results of the NIMCET 2024 examination are expected to be announced in June 2024. The candidates who pass will be sent an email with a link to the website from where they can download their Rank Card. The marks obtained in Mathematics, Analytical Ability & Logical Reasoning, Computer Awareness, and English will be combined. This will result in a maximum weighted score of 1000. Candidates will be ranked based on their total weighted marks. Any candidate who obtains zero or negative marks in either Mathematics or the total marks in the NIMCET 2024 test will be disqualified.

NIMCET 2024 Counselling

All candidates who are eligible for counselling must register again for the counselling and admission process. Each candidate can register for counselling only once. To complete the registration process, the candidate must provide the contact details, qualification details, and upload scanned copies of all essential documents according to the predefined size and format. After registration and payment of the registration fee, candidates can submit their preferred choices of institutes in the order of their preference. There will be three rounds of [NIMCET counselling](#) followed by one Special Round of Counselling. The choices submitted in the first round of counselling will be processed up to the third round. No fresh choices will be allowed in the second and third rounds. There will be one Special Round after the third round of counselling, which will be the last and final round of counselling. Participation in the Special Round is optional. All eligible candidates, including absentees, withdrawals, cancellations, and those who did not pay for the main counselling, will be allowed to participate in the Special Round of counselling.
